Subject Response to Directive From DEIS Hearing Judge

During the DEIS hearings, May 24, the Judge directed DOE/Rockwell to respond to the questions of Participant John Matis. The response was to be included in the record of the hearing which necessitates completion of Rockwell input to me by c.o.b. June 2, 1978.

Attached is the transcript of the presentation by Mr. Matis. On it I have indicated, by underlining, the questions which I would like to have you answer. If there are sections in the DEIS which answer the questions, they may be used in preparing your response.

Judge Farmakides has given extremely high priority to answering Mr. Matis' questions. Please call me as soon as possible if you feel you cannot provide a suitable response in the time available.
